SUBJECT: Letter of recommendation for Daren Wride

Dear Sir or Madam,

I am writing to recommend you consider Daren Wride as a speaker for your next meeting. Daren gave a luncheon speech at our 2007 Urology Practice Management Conference in Orlando, Florida entitled *The Power of a Team*. Our audience was both engaged and inspired by his presentation. At certain points during his presentation, I observed members of the audience who simply stopped eating in the middle of the meal and were paying rapt attention. Evaluations for his talk were excellent.

If you are looking for a motivational speaker to encourage your audience to better appreciate how working as a team opens so many avenues for improvement of service and cooperation, you should consider booking Daren Wride.

Sincerely,

Rick Rutherford
